The Barrel-Receiver of the Model .44 Carbine is an integrated assembly, therefore, the barrel alone is not available as a separate component part.

BARREL NOTE: All barrels are marked with safety message. (“Before using gun, read warnings in Instruction Manual available free from Sturm, Ruger & Co., Inc., Southport, CT, USA.”)

Design, specifications and prices are subject to change without notice. The Sturm, Ruger & Company “LOGO”, “RUGER”, “10/22” and “77/22” are registered U.S. trademark

WARNING—PARTS PURCHASERS
